CIRCLE

Circle is a range of revolving tables, conceived to store barware, available in two sizes. The large version features two curved doors and two pull-out drawers. The inside of the doors is equipped with a structure to hold stem glasses, while the drawers can be used to store bottles. The small but taller version opens with the aid of a slim metal handle, and the inside of the curved doors is equipped with two shelves. Circle takes its inspiration from the travel furniture typical of the 20s and the 30s, object-sculptures that were transformable and suggesting several functions. The cabinet, thanks to a fixed turning base, can rotate of 360°. MADE IN ITALY.

SMALL: Ø 50x65h cm - Inch Ø 19.7x25.6h
The design of Club takes inspiration from vintage travel furniture featuring x-shaped legs. This cocktail cabinet features container doors for the storage of glasses. The interior in bronze lacquer holds a lower pull-out shelf in technical fabric top covered by an extralight transparent tempered glass (5 mm thick) for the preparation of drinks, a fold-out top for service and three lacquered drawers: one for cocktail utensils, one to store the ice bucket and the last for bottles. MADE IN ITALY.

Lifted off the ground by thin metal supports, Jazz is a bar cabinet marked by unique details. One version features a metal tsuba handle and doors in Bronze Twisted Texture Lacquer, while the other has doors finished with a patchwork of three different materials recreating the same design of Mumbai fabric. The internal of the unit is equipped with two shelves, a central worktop and led lights adjustable with a remote control. A drawer and a pull-out tray are placed underneath the central worktop. The back of the doors is equipped with short shelves conceived to store glassware.

DIDEROT

Modular wall-mounted bookcase, available in two different heights. Each module can be selected in two depths (30 and 45 cm). The bookcase is composed of several elements that recall the cubist aesthetic, and offers great functionality to host books of any size. Diderot can be freely composed to create the most suitable bookcase for any room. The wooden structures with shelves have the same thickness and are slightly raised from the ground by wooden recessed bases.

ELLIO
Elliot is marked by its four folding doors: a sliding rail, placed at the top, enables to push the doors to the sides of the piece. Each door features a 15 mm thick solid wood profile with a vertically built-in handle. The inside of the piece has two shelves, that can be removed according to need, and three drawers located in the lower part. The piece can be used for different purposes, even accommodating flat TV screens and other hi-fi equipment thanks to a cable duct on the back. The reduced depth of Elliot makes it suitable also for small rooms.
