EUCLIDE

Euclidean has a light look, thanks to its thin top and chests of drawers supported by only two metal ribbon legs. Euclidean is designed to be used from both sides, since it has four drawers with traditional guide rails on each side. This desk is equally suitable for being used in a study or in a bedroom. The frames of the drawers are in solid wood.

MADE IN ITALY.

JOLIE

Featuring minimal lines with hints of the Thirties, Jolie is a two-drawer desk with wooden structure and leather top. It is equipped on each side with pockets conceived to store paper and magazines. Underneath the worktop two drawers open with the aid of a small leather handle with metal GA logo detail. The drawers feature wooden guide rails, which allow more height to the inside of the drawer. The drawer fronts show refined visible stitching. Jolie has no back panel, but the solid wood structure is conceived to ensure optimal stability.

The Ohara desk stands out for its extravagant shape, conceived to create a comfortable working area as well as being an original piece of design. The structure is made of three section embracing the side of the seat. The thick top hosts several drawers and contrasts to the four legs that, from the side view, are remarkably thinner. The wooden versions feature a hidden cables compartment. MADE IN ITALY.
