MARTIN

Bed

MARTIN

DESCRIPTION

Martin is a lifted bed with a slim structure in solid wood. The four feet have a rounded shape that continues also on the header hard structure. The two header cushions are curved like the header itself and feature removable covers. This bed matches with the Milton range of bedside tables.

Maintenance and disposal

Product designed for indoor use. Make sure that the surface does not stay in contact with water or other liquids, even for short periods. The product is made with finishes subject to deterioration if treated with unsuitable substances. Always use neutral and creamy cleaning solutions without alcohol or acids. Never use steel wool or abrasive sponges but a soft wet cloth. Dry thoroughly after each cleaning. The replacement of damaged parts must be done only with original pieces: in this case, please contact an official Armani/Casa dealer for assistance. At the end of its useful life, the product must be returned to an authorized collection center for disposal.
