NED
Dining table

NED

DESCRIPTION

Ned is a round table available in two sizes, for six or nine people. It features some distinctive details like the elliptical legs - in solid wood - close to the top edge and the horizontal bars joining them. The top is divided into three sections featuring Tamo veneer. The horizontal bars, which grant more stability to the whole structure, become also a decorative element since they are entirely covered with leather (cuoio).

Maintenance and disposal

Product designed for indoor use. Make sure that the surface does not stay in contact with water or other liquids, even for short periods. The product is made with finishes subject to deterioration if treated with unsuitable substances. Always use neutral and creamy cleaning solutions without alcohol or acids. Never use steel wool or abrasive sponges but a soft wet cloth. Dry thoroughly after each cleaning. The replacement of damaged parts must be done only with original pieces: in this case, please contact an official Armani/Casa dealer for assistance. At the end of its useful life, the product must be returned to an authorized collection center for disposal.
