MAGNOLIA

DESCRIPTION

The Magnolia range presents a decorative, wavy texture in relief. This effect is created with bulky linen yarns. The canneté, made with different tone-on-tone threads, creates an iridescent effect on the ground. The border of the placemat and the coasters are embroidered tone-on-tone. The high thread-count satin guarantees a luxury touch to the napkin, presented in tone-on-tone colours as well. Placemats, napkins and coasters are sold separately, all in a set of two. Available in two different colours, Pearl or Sage.

MADE IN ITALY.
