Glassware

OLATZ

DESCRIPTION

Glasses in grey Murano glass, featuring details in matt light blue glass (profile and logo). The GA logo is featured on the circle in matt glass, recalling the look of an antique seal in wax. These glasses undergo an entirely hand made process, including the mouthblowing phase to obtain the basic shape (the irregular spot on the bottom guarantees that these glasses have been made following traditional artisanal techniques of Murano).

HAND MADE IN MURANO - ITALY.
