PEGASO

DESCRIPTION

Available in two versions - 'Black Lacquer' and 'Red Velvet' -, Pegaso is a range of candles immediately recalling the typical elegance of the Armani style: the inspiration comes from shiny lacquer, a signature element of the brand, and soft velvet, one of Giorgio Armani's most beloved fabrics, especially for eveningwear. 'Black Lacquer' features an amber accord fragrance, while 'Red Velvet' is inspired by Giorgio Armani Privé *Rose d'Arabie* (an Oriental/Boisé). Presented in a colored glass with matching lid and plate, each candle is contained in a refined deluxe box.

MADE IN ITALY.
