

 ARMANI / CASA

PIXEL
Decorative Lights

PIXEL

DESCRIPTION

The Pixel candle features a multicolored geometric design, an irregular checkerboard inspired by Modern art paintings. The same kind of pattern can be found on the Priamo range of vases. The Armani/Casa logo is inserted in the design by using a color belonging to the same color palette. The fragrance - a fresh Mediterranean Figue - is made even longer-lasting thanks to the glass lid that protects the candle.

MADE IN ITALY.

DIMENSIONS

diam 8,5 x 10 h cm - Inch 3,3 x 3,9
