

ARMANI / CASA

CLEO
Umbrella Stand

CLEO

DESCRIPTION

Umbrella stand with satin finishing, golden or bronzed brass. The Cleo range plays on the form of the cylinder: the brass base contains an aluminium tray, and the brass bridge allows umbrellas to be hung by their handles. The uprights in rectangular section support a central disk and another support that closes the shape.

MADE IN ITALY.

DIMENSIONS

24 x 23 x 97 cm - Inch 9,5 x 9,1 x 38,2 h
