MELROSE

DESCRIPTION

The Melrose range includes a set of two round coffee tables – that can be bought separately – and a round dining table. The coffee tables feature three legs and a base structure in metal. The curved legs are built directly into the metal profile of the top. The top has a reduced thickness of only 2,2 cm, to highlight the concept of lightness. Available in two different sizes, the Melrose coffee tables can be placed one close to the other and partially overlap.
