NATHAN

Dining table

NATHAN

DESCRIPTION

Nathan is a dining table inspired by the Matrix collection of consoles, recalled by the extra thin tops (1 cm – Inch 0.4) and the metal legs with triangular section. The use of special finishes enriches the clean, elegant lines of the table, almost recalling the sartorial precision of a made-to-measure suit. The outer side of the legs is in the same finish of the top.

Maintenance and disposal

Product designed for indoor use. Make sure that the surface does not stay in contact with water or other liquids, even for short periods. The product is made with finishes subject to deterioration if treated with unsuitable substances. Always use neutral and creamy cleaning solutions without alcohol or acids. Never use steel wool or abrasive sponges but a soft wet cloth. Dry thoroughly after each cleaning. The replacement of damaged parts must be done only with original pieces: in this case, please contact an official Armani/Casa dealer for assistance. At the end of its useful life, the product must be returned to an authorized collection center for disposal.
