Bed

DANDY

DESCRIPTION

Bed with completely padded high headboard. The headboard is designed in the shape of an arch rounded in the floor plan view, so that the most external parts are detached from the wall: this feature endows the bedroom interior with lightness and motion and allows the bed to be located centrally in a room. The header comes in two different sizes and must be ordered separately. The sommier is available with or without container. Dandy can be upholstered with all suitable Armani/Casa fabrics (removable) or Soft Touch Leathers in collection.
