NELSON

DESCRIPTION

The distinctive feature of the Nelson range is the suspended rectangular top, which makes the whole structure look particularly light. Legs have a bridge shape with a rectangular section. Nelson is available in two different finishes: the first has a base structure in Antique Brown Oak and top/ legs in Antique Gold Leaf, while the second presents a luxurious Shiny Bronze Straw Marquetry top with an all-over pattern, matched with a matt Black Maple structure and methacrylate legs. Both versions are available with extensions (240 cm only).

Maintenance and disposal

Product designed for indoor use. Make sure that the surface does not stay in contact with water or other liquids, even for short periods. The product is made with finishes subject to deterioration if treated with unsuitable substances. Always use neutral and creamy cleaning solutions without alcohol or acids. Never use steel wool or abrasive sponges but a soft wet cloth. Dry thoroughly after each cleaning. The replacement of damaged parts must be done only with original pieces: in this case, please contact an official Armani/Casa dealer for assistance. At the end of its useful life, the product must be returned to an authorized collection center for disposal.
